

# Lincoln Rhode Island Abraham Lincoln Bicentennial Commission

The bicentennial of the birth of Abraham Lincoln will be celebrated from February 2008 through February 2009. The Rhode Island Bicentennial Commission is seeking information on programs, lectures and performances by Rhode Island arts and humanities organizations, individual artists and scholars, that celebrate the life and times of our 16th President, or that are based on general themes (slavery and emancipation [of any kind], civil war, redemption and reunification) that shaped his Presidency. Tell us now (by \*\*\* date) what you *think* you might do, and tell us later (by \*\*\* date) what you have decided to do.

**RETURN FORM TO: \*\*\*\*\***
